

MCA Conformity Assessment Ltd.'s *CODE OF ETHICS*

MCA Conformity Assessment Ltd.'s Code of Ethics (will be referred as MCA in this document) is declared to all MCA employees. They are expected to adopt this code and perform their activities in compliance with these codes and contribute to these codes.

MCA's Code of Ethics, which has been created by considering World Engineering Association principles, emotional intelligence skills, rational, rational and objective judgment criteria, will help MCA to achieve the dream of being one of the most preferred international conformity assessment bodies in its main field of activities to provide qualified, reliable, fast and passionate services in the entire world.

MCA Employees;

Have self-confidence, respect to themselves, their work, customers and colleagues.

Have a realistic, self-evaluation ability and a sense of humor. In this direction, they meet the criticism with maturity.

Be reliable, transparent and honest. Do not attempt to mislead the facts, but report based on objective evidence. Integrity is very important for us. Integrity is a firm and wavering commitment to our ethical behavior. We believe the trust is the key of our success.

Remain calm in situations of uncertainty, stress, crisis and easily determine the forthcoming actions.

Be open to change. Realizes that change is due to development and do not show resistance.

Constantly solution-oriented, focusing not on problems, but solutions in communication with colleagues and customers.

Embracing and internalizing the success story of MCA. Feeling a strong urge integrity and a passion for success. Prone to pursue goals with diligence and perseverance.

Sensitive to cultural differences. MCA does not discriminate against language, religion or race in any of its activities. Always respectful to human rights and dignity.

Our employees know that professional development and productive work are the way to unlimited success. Using their creative talent, the superior characteristics of their character, ambition and coercion, deliberately pursue a productive career.

Perform their activities in accordance with the national and international standards, laws, regulations and legislative requirements.

They know and are aware that each information, MCA does not share with the public, must be protected and pay great importance on confidentiality.

MCA does not engage in any activity that may cause the use of business information for personal business interests (itself, family members or friendship).

Even if it appears to be in MCA's interest, members of MCA will not accept any gifts, food offers or other gestures that may prevent them from making objective business decisions. They act as the trustworthy representatives of our company and our customers.
